### A PRAYER OF THANKSGIVING and FOR A HEALTHY TRANSITION

**Gracious Lord, we thank you for all blessings upon this parish, for all who minister here, lay and ordained, for all resources which are your gift and for your guidance, disciplines and encouragement.**

**We pray for wisdom, patience, perseverance and grace at this time of transition from one incumbency to another that we might be realistic in our sense of the present and open and faithful to your future.**

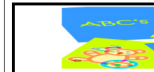

**Most glorious Lord of life, as our parish journeys through inevitable change may we continue to yearn to be one in Christ, seeking and striving to do God's will and no other to His Glory and the enduring health of our faith community, through Jesus Christ our Lord who is alive and lives and reigns with you and the Holy Spirit, one God, now and forever.**  
**Amen**

**A laminated copy of this prayer is available for you to take at the back of the church. Please pray as we seek God's guidance on our future at St Mark's and St Philip's**

and David Page. If you are considering coming please speak to Jim.
