

The Treasure of the Scriptures.

- 2 Kings 22:1-2, 8-19.
- In the Scriptures we meet Jesus – we get to know who the Lord God is – what he likes and what he hates – and how he will accept us.
- As we will see these Scriptures are much more than just information they are a place where we meet with Jesus himself.
- We are transformed by the renewing of our minds – as we put on the mind of Christ Jesus. These Scriptures, when illumined and applied by the spirit of the living God, completely change how we think, how we feel and how we live.
- If all the above is true, then how much do we treasure and love and obsess over of these Scriptures?
